

► G242

High Performance A4 15gg Aramid Composite liner with Breathable and Tactile Black Nitrile Microfoam Palm

FEATURES

15gg Aramid Composite liner is light and dextrous while providing A4 cut protection.

Surprising cool and breathable liner for an Aramid blend.

Porous and tactile microfoam nitrile palm coating provides good universal light wet, oil and dry grip.

Great durability for an 15gg liner.
